State of Wisconsin Department of Regulation and Licensing KINDERGARTEN EYE HEALTH EXAMINATION REPORT

Student's Name	Birth Date	_ Sex
Parent or Guardian	_Phone_	
Address	County	
School/Kindergarten	_City	
Date Entering Kindgergarten		

The State of Wisconsin encourages parents of Kindergartners to arrange for their child's eyes to be examined by an optometrist or evaluated by a physician by December 31 of the child's first year in school. An examination or evaluation should include, at a minimum, the elements listed below. (By checking the box, the examining doctor is indicating that the element checked was performed.)

- □ Brief history (general health and eye health) of the child, including family history
- □ General external observation of the child's eyes and surrounding structures
- □ Ophthalmoscopic examination through an undilated pupil
- □ Gross measurement of peripheral vision
- □ Evaluation of eye coordination and function (alignment and motility)
- □ Visual acuity for each eye (separately)

Findings:

As a result of this examination, follow-up care for the child is recommended: \Box Yes \Box No

Date of examination:	IMPORTANT NOTICE TO PARENTS
Doctor/Physician Signature	This examination is not required by law. Disclosure of the information noted above is necessary to comply with the statutory purpose as outlined in s. 118.135, Wis. Stats.
Print or stamp: Doctor/Physician Name Address Phone	Disclosure of this information is voluntary and there is no penalty for non-compliance. You are encouraged to keep a copy for your record.
