

2019-2020 Lenz Family Endowment Scholarship **Criteria/Instructions**

Please read carefully the eligibility criteria and follow all instructions.

Scholarship Details:

Established by Fred Lenz, the Lenz Family Endowment Scholarship is awarded to a graduating senior from each of the 30 high schools in Southwest Tech's district. Fred Lenz graduated from Fennimore High School in 1939. When asked why he choose the Southwest Tech Foundation as the recipient of his gift, Mr. Lenz stated, "From the time I was very young, my mother, who had been a teacher, kept telling me that education was the gateway to a better life. Then, during my working life, I kept meeting people all over the world who had a great deal to offer their societies, but had never had the opportunity to develop their potential and skills—skills that could have helped them support their families better and contributed more to their communities and societies. This scholarship endowment will provide that opportunity to hundreds, and over time perhaps thousands, of southwest Wisconsin residents."
